

How to unblock your pop-ups for the Arkansas Ideas Web Site for Internet Explorer version 6.0

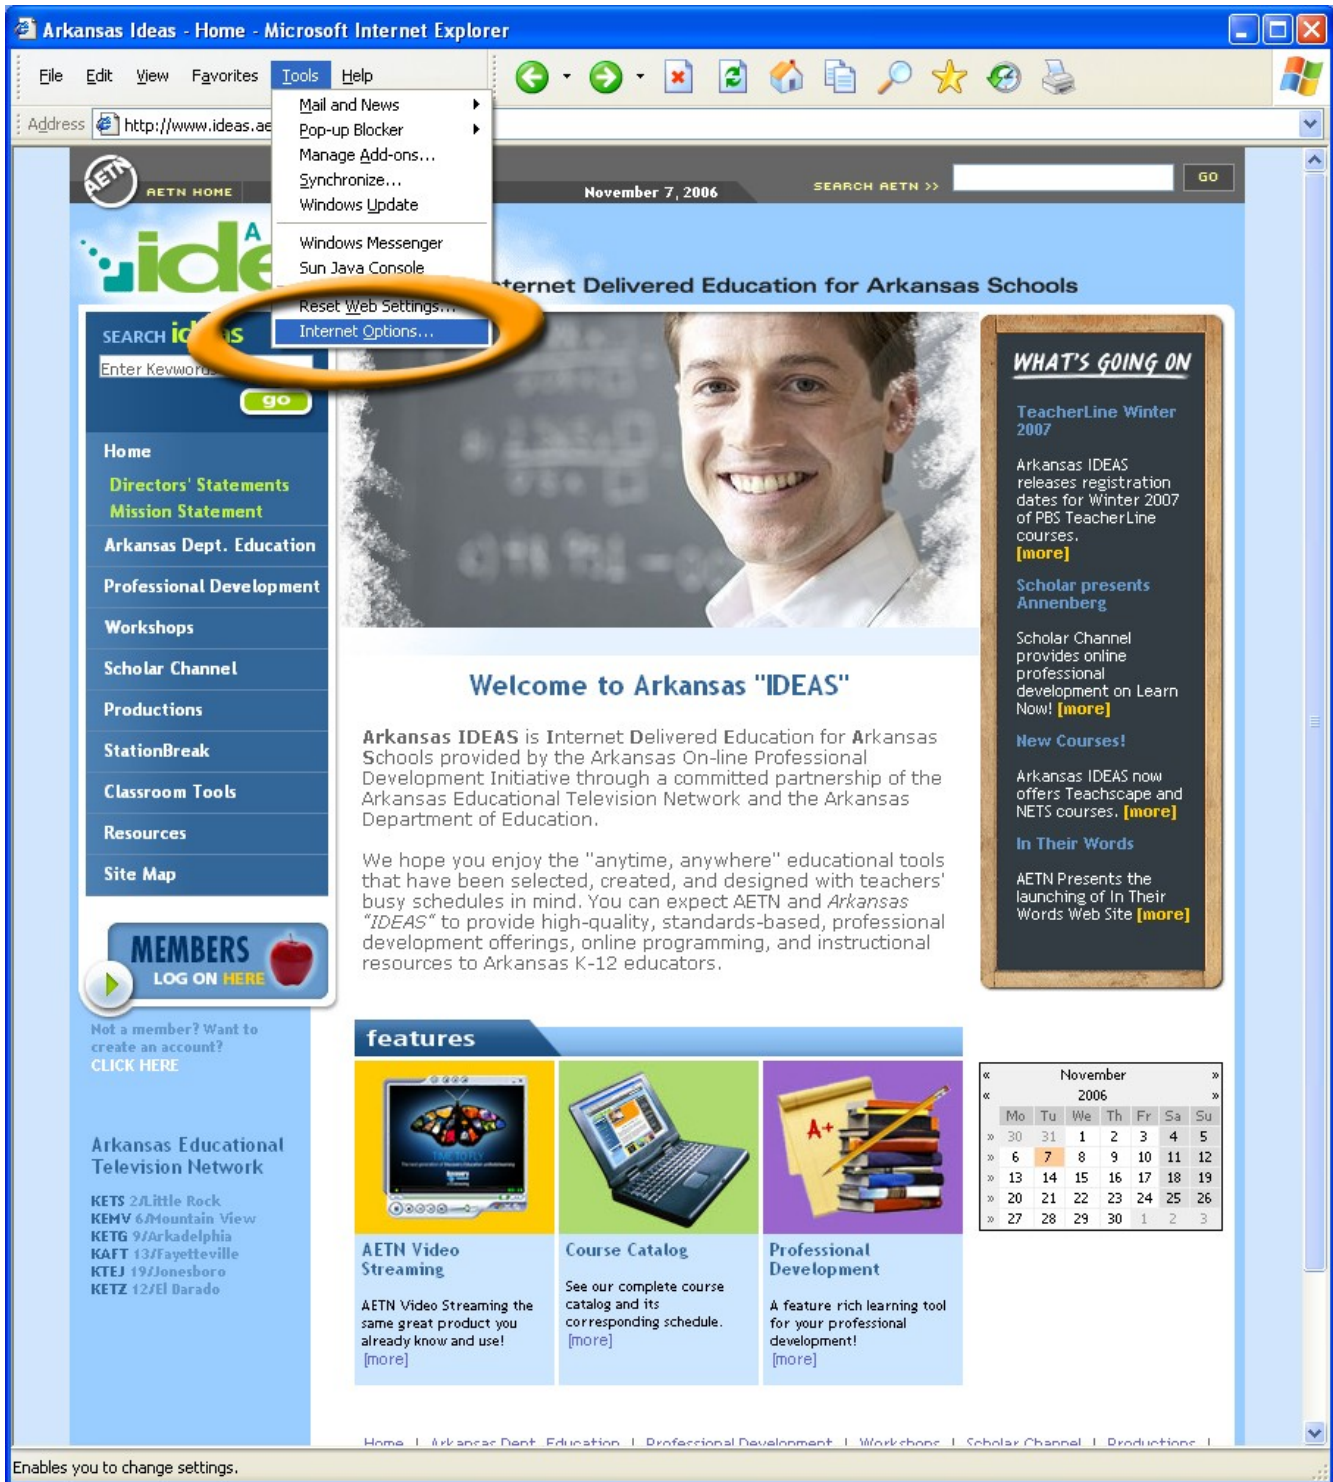

1. Click on **“Tools”** from your toolbar at the top of the browser.

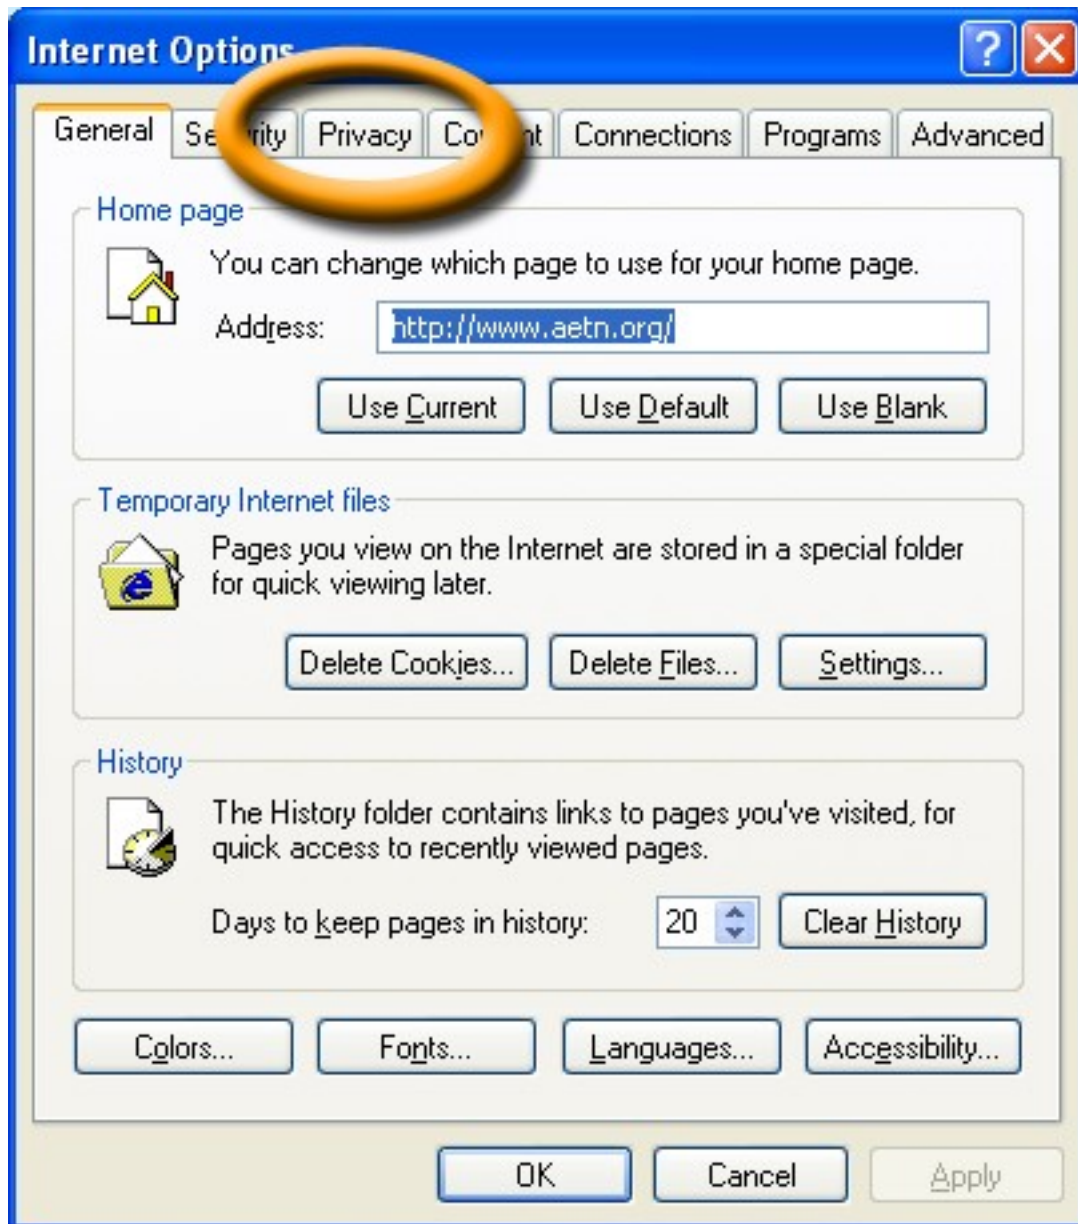

2. From the drop-down menu choose **“Pop-up Blocker”** which opens a flyout menu showing **“Turn Off Pop-up Blocker”**. If it says turn **“ON”** pop-up blocker do not select it, otherwise click on the **“Turn Off Pop-Up Blocker”** option. If you are able to complete this step you may skip to step 8 of this tutorial, if you do not see the Pop-up Blocker option, please proceed to step 3 through 8 for further instructions.

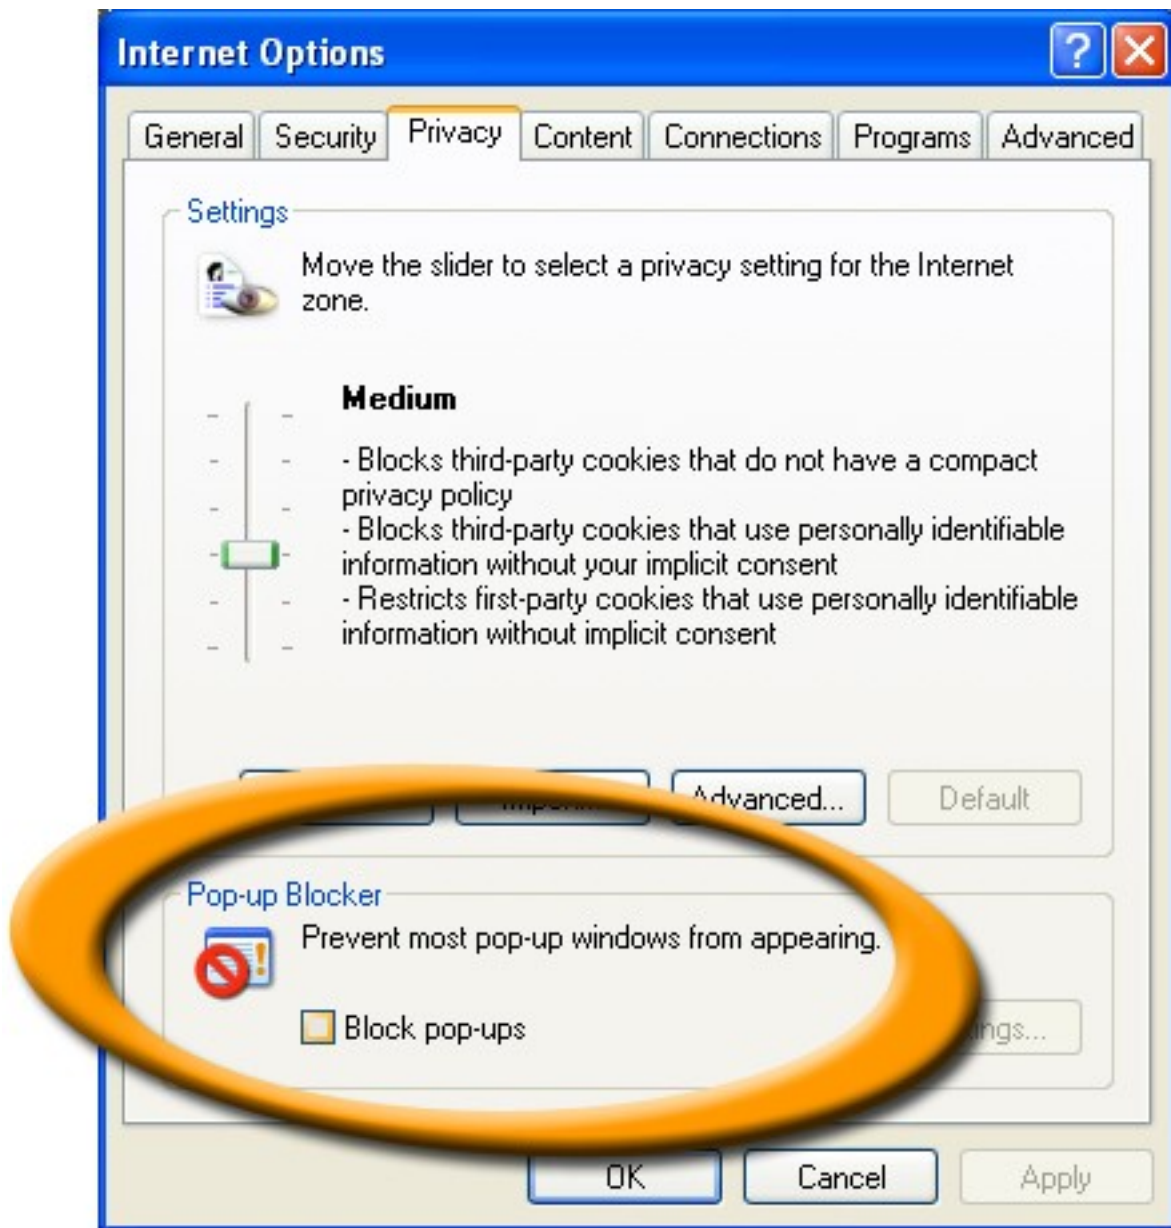

3. If you do not have the easy Pop-Up blocker option in the menu, choose “Internet Options...” from the Tools drop-down menu.

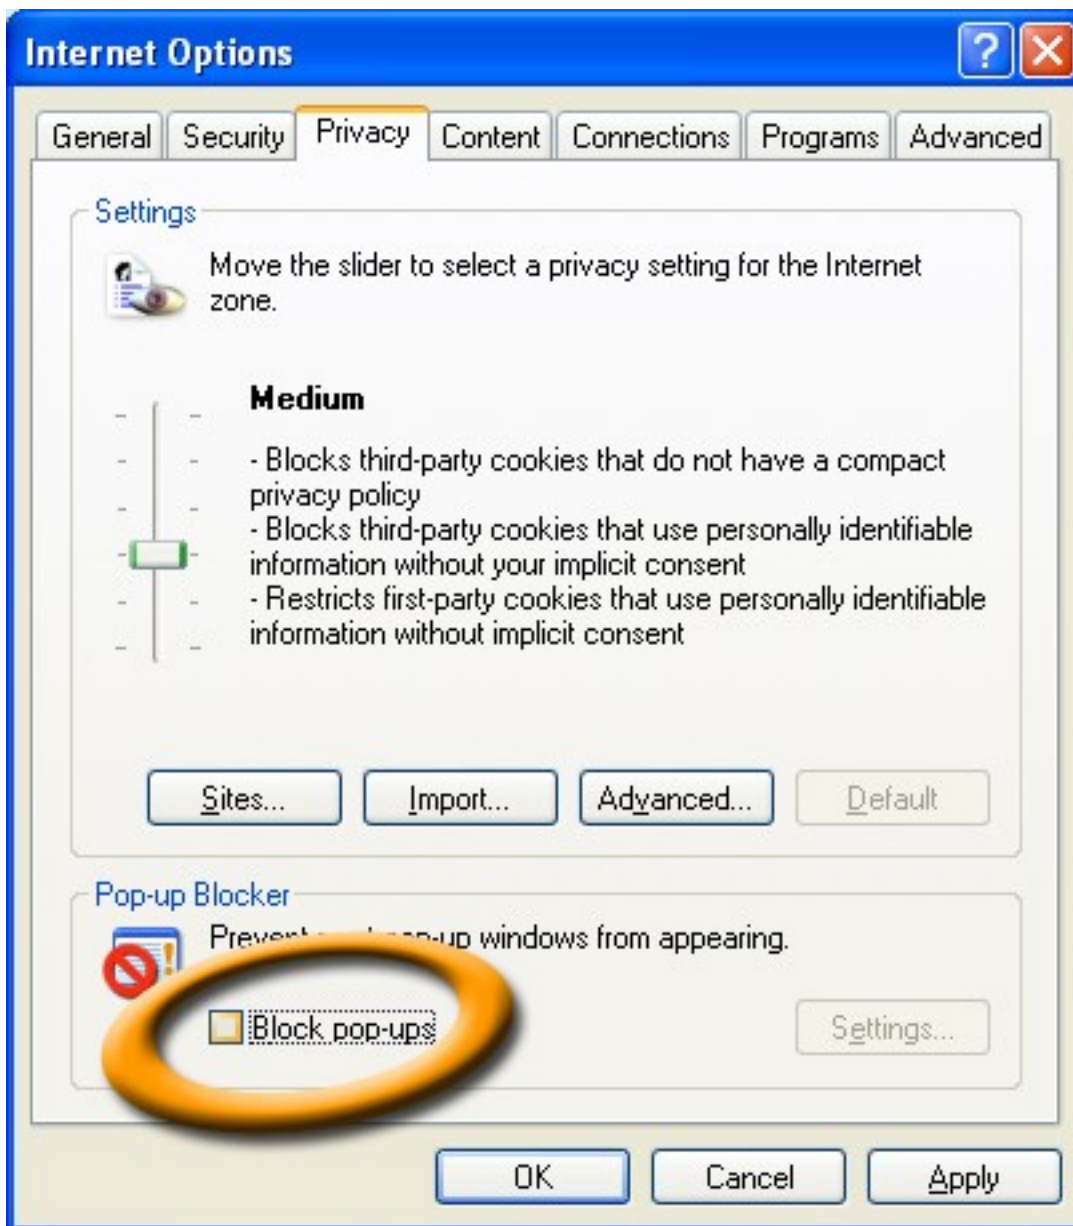

4. A window should open up with different tabs at the top. Choose the **“Privacy”** tab.

5. The Pop-up Blocker preferences are located at the bottom of the window.

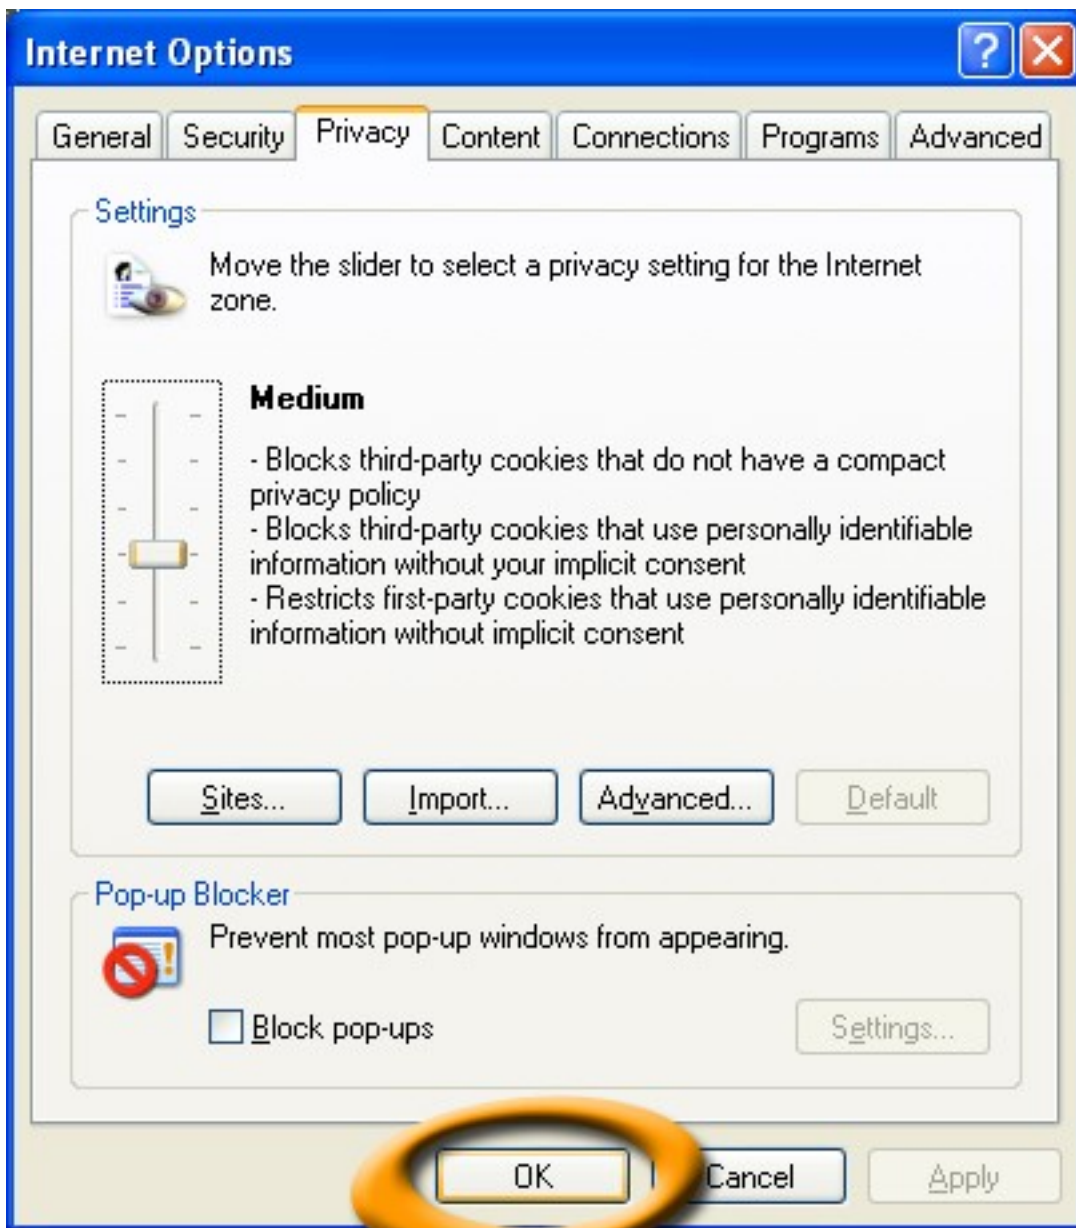

6. If checked, then uncheck the box labeled **“Block pop-ups”**

7. Click the **“Apply”** button at the bottom right of the window.

8. Click the “OK” button at the bottom of the window.

9. Finally, you may need to close and reopen your browser to make these changes take effect.

Your pop-ups are now allowed!

If at any time you would like to turn the pop-up blocker back on, follow these steps again and check the options to block pop-ups.

**Please remember to turn off
Pop-up Blockers
anytime you are on the
Arkansas Ideas web site.**
