

# If you have a Yahoo Toolbar

1. If you have a Yahoo Toolbar it will look like the one shown below with the red **Y!** at the left. Click on the button circled below which controls the pop-up blocker option.

The screenshot shows a Microsoft Internet Explorer browser window displaying the Arkansas Ideas website. The address bar shows <http://ideas.aetn.org/>. The toolbar includes a red 'Y!' logo, a search bar, and several icons. A yellow circle highlights a button in the toolbar, which is the pop-up blocker control. The website content includes a navigation menu, a search bar, a 'Welcome to Arkansas IDEAS' section, and a 'WHAT'S GOING ON' section.

**Welcome to Arkansas "IDEAS"**

Arkansas IDEAS is Internet Delivered Education for Arkansas Schools provided by the Arkansas On-line Professional Development Initiative through a committed partnership of the Arkansas Educational Television Network and the Arkansas Department of Education.

We hope you enjoy the "anytime, anywhere" educational tools that have been selected, created, and designed with teachers' busy schedules in mind. You can expect AETN and Arkansas "IDEAS" to provide high-quality, standards-based, professional development offerings, online programming, and instructional resources to Arkansas K-12 educators.

Internet

2. Uncheck the option that says **“Enable Pop-Up Blocker”** by clicking on it if it has a check next to it.

**3. If there is no check mark next to the “Enable Pop-Up Blocker” option, do not click on it. Your pop-ups have already been disabled.**

**Your pop-ups are now allowed!**

**If at any time you would like to turn the pop-up blocker back on, follow these steps again and check the options to block pop-ups.**

**Please remember to turn off  
Pop-up Blockers  
anytime you are on the  
Arkansas Ideas web site.**
